HAPPY NATIONAL FARMERS DAY

Meet some local farmers!

WHY ARE YOU PASSIONATE ABOUT AGRICULTURE?

"I honestly think it is one of the most rewarding and fulfilling occupations one could have. Each day I get to watch our cows produce such a nutritious product for consumers to enjoy with their families. I love getting to share with consumers where our food comes from."

COURTNEY
3RD GENERATION
DAIRY FARMER

"Because food doesn't grow at the grocery store. Farmers work day in and day out to make the best product that we can because in the end, we consume it too. We buy food from the local grocery store just like everyone else, and we like knowing we can bring a quality product home to feed our families."

A close-up photograph of a person's upper arm. A healthcare professional wearing blue nitrile gloves is applying a light-colored adhesive bandage to the skin. The person's arm is resting on a light blue surface, possibly a table or counter. The background is softly blurred, suggesting a clinical or pharmacy setting.
