DID YOU KNOW?

The business that is now Dierbergs was purchased in 1953 in a Sheriff's Sale for \$1,114.35. The general merchant provided early rural settlers with almost every need including kerosene for cooking and light; flour, sugar, and molasses from wooden barrels; boots and shoes, cloth and clothing; and hardware items.

100% PLANT-BASED DELICIOUSNESS

The Rootberry team is on a mission to bring more plant-based options to the market, starting with the heartland!

President & Co-Founder, Marc Connor, is proud to headquarter his business in St. Louis: "This is home. I joke that if we can make it here in St. Louis, we can make it anywhere! The food that we make, we know there's a need and we know that if we're successful here, then we can grow our business from Saint Louis to the coast."

From familiar comfort foods or globally inspired flavors, Rootberry's line up of 100% plant-based, allergen-friendly meals and appetizers are ready to heat in just a few minutes and will satisfy without any sacrifice! With scrumptious options like Penne alla Vodka, Tikka Masala, and Buffalo Dip Dumplings, it's never been tastier or easier to add more plants to your diet!
