Code3 Spices is igniting the St. Louis market with its legendary blends and unwavering commitment to service.

Headquartered in Collinsville, Illinois, Code3 Spices is a small yet mighty team that embarked on this journey fueled by their love for food, community, and cooking. Owner Chris Bohnemeier takes immense pride in serving the local community. With each bottle purchased, a percentage is donated to organizations supporting first responders & military services.

Code3 Spices also organizes the BBQ competition and festival, Smokin' On Main. This exciting event showcases barbecue vendors, state competitors from across the nation, and live music, bringing the spirit of BBQ to the local community. Moreover, all profits from the festival directly contribute to the Collinsville Food Pantry and the US Veteran Foundation, making it a celebration that not only satisfies cravings but also supports the local community.

Offering five legendary flavors and two barbecue sauces, Code3 Spices elevates your barbecue experience. From best-sellers like Grunt Rub, which infuses robust garlic flavor to any dish, to the signature 5-0 Rub, a harmonious blend of sweetness and heat perfect for meats ranging from ribs to brisket, Code3 Spices delivers sensational grilling right to your home.
