# Spotlight

**MEET THE MARCOOTS!**  
 Marcoot Jersey Creamery is a seventh-generation family-owned farm in Greenville, Illinois, where a deep-rooted passion for raising Jersey cows meets a dedication to crafting high-quality cheese. The Marcoot family transitioned from dairy farming to artisan cheese-making as a way to continue their agricultural legacy while offering something truly special. Using milk exclusively from their own Jersey herd—known for its rich, creamy texture—they produce small-batch cheeses with exceptional flavor and integrity. We're proud to offer their farmstead cheeses in our stores—crafted with care, straight from their family farm to your table. Join us behind the scenes to what makes this farm so special.
